WHO WE SPEAK TO

- Associations, conferences, and member meetings
- Companies and leadership teams, office and field together
- Healthcare, therapy, and professional practices
- Schools and career-tech programs
- Owner and executive peer groups
- Retreats and off-sites

WHAT EVERY ATTENDEE GETS

- The Working Genius assessment, set up before the event
- A private, secure way to get personal results
- An event page with slides, resources, and next steps
- For teams: a team map of geniuses, frustrations, and gaps
- A short follow-up survey to measure what landed

HOW IT WORKS

1. **A short call.** Who, what, where, and when.
2. **We design it.** Format, length, and examples for your audience.
3. **Assessments.** Taken beforehand; we handle the logistics.
4. **The event.** Practical, engaging, grounded in real work.
5. **Follow-through.** Results, resources, and options for teams that want more.

YOUR FACILITATORS

Greg Snyder, Matt LaFleur, and Josh Muller. Based in Northeast Ohio, working with groups across the country and around the world.

> **"It was so insightful to see where we had overlap and gaps. It will help us in our search as we hire for fit and areas where we need different strengths."**
>
> **Member, Private Physicians Alliance**

> **"I feel like the training No Alumni offers is a must for any business. Not just trades."**
>
> **Team building review, Trustpilot, December 2025**
